ORDER

On September 26, 2011, due to an error in electronic case opening, the above styled case was inadvertently assigned an Eastern Division case number. However, the above referenced case requires a Southeastern Division case number.

Therefore, this case must be randomly reassigned a Southeastern Division case number.

IT IS HEREBY ORDERED that the Eastern Division case is closed and the case has been reassigned a Southeastern Division case number to be included in the MDL 1811 Genetically Modified Rice Litigation assigned to Chief Judge Catherine D. Perry.
